A Message from the Committee

Come Out And Give A Big Cheer
Winterfest 2011 is Finally Here!

It’s that time of year again when we all need to get geared up to take part and be active in the Winterfest activities.

Come out and give a big cheer Winterfest 2011 is finally here! Thank you to Emily Hynes for this year’s slogan and to Victoria Simms for the picture on the cover of the Winterfest book.

During this week, we have activities for both young and old. Come out and attend some if not all of the exciting events that we have planned. Let your community spirit shine, you will certainly enjoy your time.

The Winterfest committee would like to extend many thanks to all who have contributed to the success of this fun-filled week. Without the help of volunteers these events would not be possible!

A Message from the Mayor

On behalf of St. Anthony Town Council, I wish to congratulate and thank the many volunteers, who have given freely of their time to make Winterfest 2011 a week long, fun filled festival.

Winter was a little late arriving this year but true to form it did indeed arrive and we are now thrust into a winter wonderland. Like true Northern Newfoundlanders we continue to embrace and celebrate our winter season. At this time, I ask that each resident take an opportunity to participate in any number of the Winterfest 2011 activities.

Winterfest is a time to get active, make new friends and to wipe away those winter blues.

Come out and give a big cheer, Winterfest 2011 is finally here!

Sincerely,

Ernest Simms

Get out and have fun!
Donny has lived in St. Anthony all of his life and has been well known in these parts by residents and visitors alike. He graduated from Harriot Curtis Collegiate May 1998. He brings a smile to everyone around him especially if you are his “best one”.

It is quite easy to run into Donny at any civic event as he is always anxious to be a part of any ongoing activity. If there is fun to be had he will find it and make it fun for everyone around.

He has been a member of Community Readiness for People with Disabilities since its induction in January 2009 and has been an inspiration to many of his peers. He keeps the Air spirits high, gives many a laughs, but most importantly makes us understand the importance of friendship and community involvement. It is his dedication, commitment and overall outgoing attitude that led us to having Donny be our first Winterfest Representative. Enjoy your week Donny and we can’t wait to hear all about it!

Throughout Winterfest activities, we would like to wish everyone a safe and enjoyable time.

“reduce, reuse, recycle”
There wouldn't be too many people in St. Anthony or its surrounds who don't know Bernice Smith. For those who do, the word 'shy' is not one you would think to use to describe the mother of two; her outgoing and vivacious personality resonates through everything she does. But Ms. Smith is adamant she was a shrinking violet before she became involved in volunteer work. "I was really shy but being involved in the community gives you exposure to many things and many people," she says. "I think the Girl Guides really benefited me a lot, being involved there gave me some great life experiences." An active member from the bottom rung to the very top, Ms. Smith was involved in the organization for 16 years but her community involvement doesn't end there.

She spent four years with the Boy Scouts as well, was involved with the Anglican Church Sunday School for a good many years and was one of the "founding mothers" of day care in St. Anthony.

From behind the desk or on the phone at the St. Anthony RCMP detachment through to the Aurora Nordic Ski Club, Ms. Smith is one chirpy customer and her list of community achievements and involvement goes on and on. It's probably why the Winterfest organization committee saw fit to select Ms. Smith as this year's patron.

"It is a great honour and kind of surreal," she said. "I don't know who nominated me but it's a nice feeling. You do so much in the community and you think nobody notices until something like this happens.

"Growing up in L'Anse aux Meadows, Ms. Smith moved to St. Anthony 28 years ago and her own family has a close attachment to the annual carnival celebrating winter. Her son Kristopher was ambassador in 2002 and daughter Kathryn in 2007. "I am really looking forward to being a part Winterfest this year as patron," she said.
