***ADMISSION SPLIT - EVENTS ORGANIZED BY MINOR GROUP AFTER EXPENSES**

Admission Splits: Events organized by Minor Groups after expenses. Door attendant, scorekeeper and ice rental/facility rental will be paid from door admissions, the remainder to be split 50/50 between the Town/Arena and the Minor Group. If the split is \$0.00, then the Minor group is responsible to make sure the ice rental/facility rental is paid in full to the Town/Arena; and any other expenses incurred by the Minor group will be the responsibility of the Minor group (ex: referees and officials, score keeper and door attendant).

***ADMISSION SPLIT – EVENTS ORGANIZED BY ADULT VOLUNTEER GROUPS AFTER EXPENSES**

Events organized by Volunteer Groups that are approved by Council (excluding those outlined in the donation policy). Daily or hourly rental rate is to be paid by the group. If there are charges on the door, door keeper, clock attendant and daily and hourly rental would be paid from door proceeds after which the remainder of the funds would be split 50/50 between Town/Arena and Volunteer Group. If there aren't enough funds from the door to cover the costs the volunteer group would be responsible to pay the outstanding amount. All other associated costs would be the responsibility of the group and not taken from door proceeds.

In addition, an adult volunteer group would be given the option to run a bar in our facility. Again, after expenses (Bar attendants, liquor sales and security are paid all profits would be split 50/50). For verification, financial statements would be required.
