

Explore like a Viking

How it works:

When a player completes the bingo block for a business, ask an employee of the business to stamp the block. When the activity is not related to a specific business (i.e., a moose or caribou), show the photo at any participating location to get a stamp.

How to enter for monthly draws:

When a player completes three rows in any direction (i.e., up/down, across, diagonal) they can enter the monthly draws in one of two ways:

- Showing their bingo card at any participating business and filling out a ballot.
- Sending a photo of their bingo card via email to VikingBingoNL@gmail.com.

Each ballot entered will be included in all monthly draws.

How to enter for the grand prize:

Only players who have completed every block on the card are entered into the draw for the *You are a Viking!* grand prize. This will be drawn in September after the contest closes.

Contest duration:

Sunday, July 4, 2021 through to Sunday, September 4, 2021 (9 weeks)
